**It is recommended to store the shower indoor during winter season.*

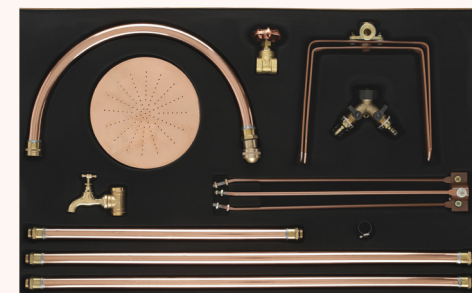

The shower is made of high quality copper pipes and fittings that do not rust. It measures 235 cm x 16 cm. It is delivered in a gift box and is easily assembled – no tools needed. 5 year warranty!

SCANDINAVIAN DESIGN

This luxurious and elegant garden shower in copper from Danish Excel is a freestanding garden shower that is easily placed in the lawn with “hand and foot” - no major installations or difficult operating instructions are needed.

You can easily move it around and connect the indoor or outdoor water hose. The shower can also be connected to hot water and there is an extra tap to fill the watering can.

You can create your own exclusive and exotic outdoor environment by setting up Garden Shower with a nice wood or tile floor and large green plants

- ✓ 5 years warranty
- ✓ Easy assembly
- ✓ Both hot and cold water
- ✓ Extra tap for the watering can
- ✓ Removeable – easy to place on lawn
- ✓ Packed in nice molded box
- ✓ No rust
